

# Original Hair Collective

---

## TL;DR

Original Hair Collective is a Black-owned, Toronto-based premium hair import company specializing in high-quality hair for wigs and extensions. We partner exclusively with industry experts to serve consumers, wig makers, and hair stylists through multiple channels — including direct sales and online. Built on Christian values, backed by strong funding, and driven by community impact, we are positioned for aggressive growth while ensuring every partner we work with meets their goals and succeeds alongside us.
